

SUSTAIN SANCTUARY. SUSTAIN JUSTICE. SUSTAIN JOY!

The Sunnyslope Church COB/UCC is a boldly inclusive, intergenerational spiritual community where LGBTQIA2S+ people, immigrants, families, agnostics, atheists, and people of faith all belong. In a year of rising political tension and growing threats to vulnerable communities, our mission has never been more important.

Every day, our community works to build a world rooted in our values: Radical Inclusion, Prophetic Justice, and Play! This is a world where all people are held with dignity, where neighbors show up for one another, and where joy and creativity are essential forms of resistance.

This work takes presence. It takes collective courage. And it takes resources.

YOUR SUPPORT MAKES SANCTUARY POSSIBLE

Immigrant Justice in Action

Wenatchee for Immigrant Justice (WIJ) is building power among local, immigrant-led organizations fighting for safety and civil rights. The Sunnyslope Church serves as WIJ's fiscal sponsor and core partner—providing meeting space, organizational support, and volunteers committed to showing up with solidarity and compassion. Your generosity fuels this work of real, practical, on-the-ground action.

Sustaining Queer Sanctuary

When Rose and Jill began planning their wedding, they knew they needed a space where queer love would be celebrated without hesitation or judgment. At the Sunnyslope Church, they found more than a venue—they found a spiritual home that welcomed them exactly as they are.

Your support keeps this sanctuary alive for every LGBTQIA2S+ person seeking a place of belonging in North Central Washington.

OUR 2026 GOAL: BUILDING ON \$90,000 ALREADY PLEDGED, HELP US RAISE AN ADDITIONAL \$75,000

Thanks to the extraordinary generosity of our members and close community, \$90,000 has already been committed for 2026. This is a strong affirmation of the momentum and collective power that we are building. To sustain this movement, **we need your support.**

Now, as we open this invitation to the wider Wenatchee Valley, we are launching a public goal of \$75,000. These funds will allow us to grow our justice work, strengthen our sanctuary efforts, and sustain the vibrant community life that makes The Sunnyslope Church a vital spiritual home.

Join us in fueling the next chapter of:

- LGBTQIA2S+ sanctuary and celebration
- Immigrant justice organizing
- Peacemaking, creative joy, and community care
- A spiritual home that truly welcomes all

Together, the pledged support and this public campaign will empower The Sunnyslope Church to move boldly, confidently, and sustainably into the year ahead. Every gift is a vote for the kind of world we are creating together.
